STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Haverhill in the county of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday the 12th day of March, 1940, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the town will vote to authorize the selectmen to issue interest bearing orders or notes to provide for the current year's expenses in anticipation of taxes.

Article 6. To see if the town will vote to authorize the selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 7. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Article 8. To see if the town will vote to apply all money received from the sales of deeded property to the reduction of the temporary indebtedness of the town.

Article 9. To see if the town will vote to appoint a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see if the town will vote to grant permits to druggists for the sale of liquor in this town for medicinal, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 11. To see if the town will vote to change the name of the Horsemeadow cemetery, and if so, to choose a new name for that cemetery.

Article 12. To see if the town will vote to discontinue as open highway and make subject to gates and bars the so-called Old Cutting Hill Road in said town, being the same which is numbered 13 on the Plan of Haverhill highways compiled by the State Highway Department, from the Pike school house to the residence of Fred E. A. Lee, a distance of approximately one third mile.

Article 13. To see if the town will vote to discontinue as open highway and make subject to gates and bars the so-called King Hill Road in said town, being the same which is numbered 24 on the Plan of Haverhill highways compiled by the State Highway Department, from the "Four Corners" so-called on Brier Hill above the premises of Forrest Thayer, by the so-called old Andrew French place, the Ethan Harris place

and the Brydone Sawyer place, to the junction of that road with the T. P. A. road from Swiftwater to Woods-ville near the residence of Forrest Austin, a distance of approximately 2.75 miles.

Article 14. To see if the town will vote to discontinue as open highway and make subject to gates and bars the so-called Old Sinclair Road in said town, being the same which is numbered 43 on the Plan of Haverhill highways compiled by the State Highway Department from the junction of that road with the county road in Number Ten district, so-called, to its junction with the Lime Kiln Road, a distance of approximately 1.15 miles.

Article 15. To see if the town will vote to discontinue as open highway and make subject to gates and bars the so-called Rollins Road in said town, being the same which is numbered 49 on the Plan of Haverhill highways compiled by the State Highway Department, from its junction with the Pond Road, so-called, to its junction with the Swiftwater-Benton road, a distance of approximately 1.5 miles.

Article 16. To see if the town will vote to discontinue as open highway and make subject to gates and bars the so-called Peters Road in said town, being the same which is numbered 50 on the Plan of Haverhill highways compiled by the State Highway Department, from its junction with the County Road, so-called, to its junction with the Swiftwater-Benton Road, a distance of approximately 1.5 miles.

Article 17. To transact any other business proper to come before said meeting.

Given under our hands and seal this 17th day of February, 1940.

ERNEST E. CRAIG,
ROY E. DUNKLEY,

Selectmen of Haverhill

REPORT OF SELECTMEN

To the taxpayers and citizens of Haverhill:

We herewith submit our report for the year ending January 31, 1940. We feel we have had a very successful year. On the following pages will be found a detailed statement.

We especially call your attention to the comparison of the Haverhill Tax Dollar as compared with the State. These figures were compiled by the State Tax Commission, and will be found starting on Page 36.

FINANCIAL

The net debt has been reduced in the amount of \$5,718.49, leaving our net debt \$35,224.82 as against \$40,943.31 at the closing of last year.

Tax collections have been very good this year. The figure covering the property sold for non-payment of taxes this year is \$12,475.82 against \$15,263.00 last year. Also the collections on previous years taxes due this year was \$15,147.10 against \$8,768.89 of last year.

POLICE

We believe the Police Department has been very successfully handled during the past year, being kept within the appropriation, with a small balance left over.

DEEDED PROPERTY

There has been considerable work done on this item this year with the result that at the closing of last year the town owned \$46,927 in deeded property against \$29,127 at the closing of this year.

We believe it good judgment for the town to keep certain pieces of this deeded property rather than sell to individuals who in turn might rent the property to

incoming subjects on the verge of relief, and in all probability would become relief subjects after settling in the town.

HIGHWAYS

Shortly after closing our books last year we realized our tractor was not capable of handling the heavy fall of snow at that time. After discussing the matter with one member of the budget committee we decided it was for the best interest of the town to get a new tractor, which we did, at a cost of \$1600. We also bought a gravel pit at a cost of \$500.00. This extra expense added to the cost of excessive snow plowing, over run our appropriation in the amount of \$2,693.87. Against this amount there were refunds amounting to \$329.63 leaving an actual over draft of \$2,364.24.

TOWN POOR

Several years ago we were notified by authorities at Washington, that if the names of persons receiving aid were published in town reports, Federal Aid would be immediately taken away. As the Federal government no longer contributes to this aid, we believe we should return to our old custom and are therefor printing a full report this year, of our relief as paid.

This account shows a marked reduction from previous years figures. We submit a comparison of these figures for the past years as follows:

1935	\$15,155 63
1936	12,929 48
1937	13,457 34
1938	14,823 97
1939	9,581 45

The foregoing summary of Receipts and Expenditures as compared with the Budget is submitted by your Finance Committee with recommendations—That in addition to the County and Poll taxes provided by law, the Town raise the sum of \$25,740.43 and appropriate said sum and all other monies which may be paid into the Treasury and which are not required by law otherwise to be expended in accordance with the foregoing Budget as presented by the Finance Committee.

To Balance Budget	\$25,740 43
-------------------	-------------

The amount to be raised this year is \$2,582.89 more than was required last year. It seems advisable to include in this year's budget \$4000 for State Aid road which will be matched by \$8,000.00 from the State to complete the Benton Road so-called. The same amount will have to be raised next year as the estimated cost to complete this road is \$24,000. to be expended over a two year period.

Appropriation for Town Maintenance was divided as follows 49 percent to Woodsville 51 percent to the Town. The overdraft in Town Maintenance expense is explained in the report of the Selectmen as \$2,364.24 making it necessary to reimburse Woodsville about the same amount.

Temporary notes outstanding amount to \$37,618.58. Taxes due the Town plus the cash balance Feb. 1, 1940 amount to \$35,970.80 which explains the item of \$2,000. marked "Deficit" in the Budget. Old age assistance will increase this year due to dropping the age limit from 70 to 65 but this will be reflected somewhat in the amount required for direct relief.

For several years one of our largest items of expense which has caused deep concern has been for relief and we are very glad to report that a substantial reduction was made last year and we hope for further improvement this year. You will also note that there has been a very good reduction in the total of outstanding taxes. 1939 Taxes bought by the Town were \$2,788. less than purchased last year and there were also larger payments made on previous years taxes.

The amount due the Town on Deeded property has been reduced to \$3,900.00.

Following our recommendation of the past few years we recommend that for the year 1940 back taxes be abated to equal 8 percent instead of 7 per cent as charged last year.

Respectfully submitted,

H. B. KNIGHT,

F. R. DEAN,

Finance Committee

AUDITORS' REPORT

February 13, 1940

We, the undersigned, lawfully appointed auditors of the town of Haverhill, certify that we have carefully examined the accounts of the selectmen, tax collector, town treasurer, town clerk, trustees of trust funds and of the cemetery commissions, and find them correctly cast and properly vouched.

We also certify that in the presence of two selectmen and the town treasurer we destroyed by burning town bonds No. 25, 26 and 27 of \$1,000.00 each, and all matured coupons.

HAROLD K. DAVISON,
EMILE BLANK,

Town Auditors.

Following a custom of several years the Progressive club is furnishing milk to a large group of pupils in the Graded School. The club is assisted by the D. A. R., the Lions Club, the Order of Railroad Conductors, the American Legion, the American Legion Auxiliary,

the Catholic Woman's Club, the Grange, the Methodist Girls, the Leagaide, the Brotherhood of Railroad Trainmen, the Odd Fellows, the Rebecca Lodge, the Railroad Engineers and the Rotary club.

I want to take this opportunity to thank those who have contributed toward the milk fund, the dentists and others who made possible the dental clinics, and the many friends who have furnished transportation or helped in the various school activities.

For the next year I should like to recommend for the Graded School steel ceilings in grades five and seven, an encyclopedia for the fifth grade, and a duplicating machine to be used by all grades. In the High School the laboratory should be equipped with a gas system to take the place of the slow and inefficient alcohol burners now in use. Two or three of the typewriters should be replaced and an electric blackboard eraser cleaner should be installed.

EDWARD A. JANES

REPORT OF THE HEADMASTER

To the Superintendent of Schools.

I offer herewith my twenty-second annual report of the Woodsville High School, for the year ending January 31, 1940.

There are registered one hundred fifty pupils, which is very close to average for the past score of years. There are sixty-eight boys and eighty-two girls, classified as twenty-one seniors, twenty-six juniors, fifty second-year, and forty-five first-year; thirty tuition pupils come from Vermont, and sixteen from New Hampshire.

At the forty-third graduation in June 1939 there were twenty-four in the class: Margaret J. Bailey, Freeland A. Burgess, Joyce I. Chamberlin, Paul M.

Cutting, Ruth A. Davison, Dorothy M. Day, Beatrice J. Demeritt, Dorothy V. Franklin, Roger G. Guilmette, Wayne M. Hodgkins, K. Scott Kinerson, Eleanor E. Langway, Ruth E. Larty, Stewart R. Leete, Veronica R. McCarthy, Maynard S. Nutter, Marjorie I. Perry, Lillian M. Ralston, Paul A. Sawyer, Geraldine M. Sipprelle, Eleanor F. Stevens, William R. Sweeney, George B. Wallace and Reginald S. White.

First place by average scholarship was taken by Geraldine Sipprelle, second place by Dorothy Day, and third by Eleanor Stevens.

The Alumni Attainment award was given to Roger Guilmette, being presented by Clara Dodge, '32. The Perley N. Klark music award was divided between Roger Guilmette and Paul Sawyer, presentation being made by Larkin Hosford. The Quill and Scroll award for improvement and excellence in creative writing was presented by Helen Field, '37, to Scott Kinerson. Two cups given by the American Legion to outstanding athletes were presented by Rev. E. C. Williams to Beatrice Demeritt and to Roger Guilmette.

Baccalaureate service was conducted on Sunday evening preceding graduation. Rev. A. W. Altenbern, of the local church, gave the address. The Class Day program occupied Friday afternoon, on which occasion the class presented an electric clock for use in the typing room. On the same evening the annual reception to the graduates was a pleasing affair.

A feature of recent graduations has been the publication of a Class Book containing various data, a photograph of the members, and text of the addresses of the commencement season. Such a book will be of increased interest in years to come.

The library has been enlarged. New shelves have been erected, and a small room, long used for recitations, has been restored to its original purpose, a book room. About five hundred volumes now compose the

resources; many more are needed. Some eight dollars left over from graduation expenses and returned by the class to the school treasury has been expended for special outside reading books in language courses. An attendant is in charge each day at library hour, and a popular card-charging system for books taken out is in effect.

Athletic activities call out a much larger number of pupils than formerly, especially basketball and winter sports. Field hockey has been notably successful, and baseball, football, and ice hockey maintain their interest. Bicycle tours and walking trips ought to be better developed. Every pupil should engage in some field of sport.

A Hi-Y Club and a branch of the Girl Reserves have been organized under auspices of the North Country associations. These ought to bring numerous pupils into contact with some of the finer things of life.

There are twenty recent graduates in attendance at the state university in Durham, New Hampshire, and twelve in Burlington, Vermont. Thirty-three others are enrolled in a total of twenty-five higher institutions.

The seniors enjoyed a special privilege, at the invitation of a local citizen, Hon. H. K. Davison, '11, member of the Governor's Council, of visiting a session of the New Hampshire legislature. Mr. Davison introduced the young people to the workings of state government, presented them to the Governor, and entertained them during their stay in the capital city.

From the school office have gone letters of encouragement to pupils newly in college; occasional circulars of information and inspiration are distributed; weekly contact with home and public is maintained through a column in the local press.

Miss Marion Eastman resigned last summer because of her marriage. For eleven years she had con-

ducted the commercial department. She was efficient in her work, gave generously of time and counsel for administrative duties, and left a worthy record deserving high commendation.

For reference is presented here a list of chief activities in which pupils engage; no person participates in all; many pupils take part in several: weekly assembly, often with outside speaker; lyceum programs; publication of the "Cycle", and the biweekly news sheet "Cycle Chatter": the Quill and Scroll society: orchestra; band; chorus singing; visits to governmental agencies, and to manufacturing processes; meetings for conduct of school affairs; service connected with the care of the building; providing lunch during the winter term; attendance at the information desk; health inspection by the nurse; tuberculin test by the state agency; junior public speaking; patriotic essay writing; senior play during the spring months; the junior promenade; scholarship day at Plymouth; competitive speaking at Durham; observance of patriotic days and other anniversaries.

Numerous outside societies or groups of citizens or individuals have contributed to the school interests: the alumni provide an attainment award; Dr. Perley Speed sponsors the music award; the Legion gives cups for athletics; the D. A. R. arranges a pilgrimage to the state capital; many parents have helped with food sales to raise funds for athletics; the Rotary club has invited the senior boys into the weekly meetings; many persons have provided transportation for events out of town.

Leading features of the school life are continued from previous years. It is difficult to make each annual report entirely distinct. We change people rather than topics, and the basic studies and social activities remain about as usual, but new each year to a new group of pupils.

The coming commencement will see completed forty-four years of W. H. S. There have been sixteen hundred and thirty-nine pupils entered; seven hundred and thirteen have left for various reasons; and seven hundred and eighty-one have graduated to date. That equals the average for the country at large.

Respectfully submitted,

G. H. McGAW, Headmaster

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board, beg to submit the following report:

During the summer vacation the interiors of East Haverhill and Centre Haverhill school buildings were re-painted, also the basements at the North Haverhill school.

Extensive repairs had to be made on the roof and cupola of Pearson Hall, due to the damage caused by the hurricane in Sept. 1938. We were also put to considerable expense in connection with the heating problem in that building, the class rooms not being adequately warmed on cold days.

As a protection for the students and faculty at Haverhill Academy, in case of fire, a well constructed fire escape was installed at the rear of the building.

At Pike school a very handsome and strong 7-ft. high link-chain fence was erected around the playground, thus preventing the children from running into the state highway after a loose ball.

The School District acquired a piece of land in the back of the old Probate Court Building, Haverhill, pur-

chased of Mr. Fred Randall, thus giving the District an uninterrupted piece of land between the Haverhill Academy building and Alumni Hall. The money for this parcel of land as well as for the fence at Pike School was appropriated by vote of the taxpayers at the last annual district meeting.

In last year's report we informed the taxpayers that the school at District No. 6 had been discontinued and the pupils were being transported to East Haverhill and Pike. This arrangement has proven very satisfactory and in view of this fact we caused a special article to be inserted in the Warrant, and in which the School Board asks for authority to sell the school building.

We desire to call attention to the annual reports of the Superintendent, Mr. Edward A. Janes, and of the Headmaster of Haverhill Academy, Mr. Friend Jenkins.

Especial attention of the taxpayers and voters of District is drawn to the budget covering the proposed expenditures for the school year, beginning July 1, 1940. We would like to emphasize that the budget has been prepared with the greatest care and a desire for strict economy.

The retiring member of the Board is Mr. Wm. J. Clough of North Haverhill.

During the past year there were a number of things about the schools which I think should be a source of satisfaction to the parents and other friends. When the achievement tests were given last May to all the elementary pupils in the schools of the seven districts in my supervisory union, the highest ranking pupils of grades four, five, six and seven were found in various Haverhill schools. As Mr. Jenkins has stated in his report all three teams from the Academy won places in the scholarship contests at Plymouth. Graduates have been well enough prepared to do good work in colleges and other post-secondary institutions. The marked success of the athletic teams being so well known, I do not need to comment at length upon that subject. I will instead offer my congratulations to both players and coaches for the splendid records made.

Regarding the equipment and buildings I am glad to report that the rooms in the East Haverhill and Center Haverhill schools were painted as were also the basements in the North Haverhill school. Some very old and unsatisfactory desks were replaced in the Academy.

For the next year I would like to recommend for the Academy the purchase of another row of desks, a new duplicating machine, the installation of another chemistry table, repainting of the basements, and the repair of the basement floor.

For the elementary grades I would recommend a new encyclopedia, some adjustable primary desks, and repainting of the class rooms at No. Haverhill. Swings and other playground apparatus would be very desirable additions to the equipment of the school at Haverhill Corner.

The school board, superintendent and teachers very much appreciate the generous and loyal support given by the citizens to the schools of Haverhill. Parents and friends are cordially invited to visit the

schools and make such suggestions as they feel will help improve the work.

Respectfully submitted,

EDWARD A. JANES

REPORT OF HEADMASTER

To the Superintendent of Schools:

I submit herewith my sixteenth annual report of Haverhill Academy and High School for the year ending January 31, 1940.

There have been enrolled to date, beginning with the academic year in September, 102 pupils. Of this number 11 are tuition pupils; all of whom, except one, come from the town of Piermont. Seven have withdrawn leaving the present enrollment at 95. Distributed according to classes there are:

	Boys	Girls	Total
Seniors	14	8	22
Juniors	11	10	21
Sophomores	13	16	29
Freshmen	11	19	30
	<hr/>	<hr/>	<hr/>
	49	53	102

Nineteen pupils graduated in June as follows: Pauline Bresse, Louise Brunelle, Frances Church, Mary Clough, Hazel Conrad, William Frink, Mary Gearwar, Linwood Hammond, Dwight Henderson, Leon Hobbs, Enid Howard, Virginia Howe, Lyman Locke, Charles McKinlay, Jane Morris, Francis Patridge, Joseph Stearns, Gerald Stoddard, Margarete White.

The first four scholastic honor ranks were earned by Mary Gearwar, William Frink, Mary Clough and Hazel Conrad in the order named. William Frink was awarded the Scholarship, Loyalty and Achievement medal and Mary Gearwar won the "John Dexter Locke Latin Prize." Twelve of the 19 graduates are continu-

ing their formal education in schools of post-secondary rank. Official notices from the institutions reporting indicate that all are carrying their studies creditably. The four attending the State University were excused from freshman English as a result of high rank attained on the comprehensive English examination given to entering students.

No significant changes have been made in the program of studies, copies of which may be obtained upon request at any time. Pupils are aided in the selection of their courses and subjects within each on the basis of their immediate interests and future vocational aims, requirements for entrance to post-secondary institutions, and the results of their grade achievement and intelligence tests.

Standard achievement tests in subject matter are given from time to time to supplement teacher-made tests and personal estimates as a basis for determining and recording pupil progress. The standards for these tests are obtained as a result of the tests being given to hundreds of pupils all over the country.

In the three tests given by the State Board to seniors in all schools in the state our seniors ranked considerably above the state averages in each, which in turn were somewhat above the standards for each test.

Teams in English grammar, United States history and arithmetic competed in the Annual Scholarship Day held at the two State Teachers Colleges. The English grammar and history teams placed second, and the arithmetic team placed third. But one other school in the state placed all three of its teams.

The usual extra-curricula activities have been continued. The glee clubs presented a cantata at the annual Christmas party. The orchestra has furnished music for school functions as in the past, and the seniors presented their annual play in the spring. The girls' basketball team won the league championship and was one

of eight teams invited to compete in the state tournament at Peterborough where they won two of their three games and the consolation trophy. They are leading the league again this season with seven victories and no defeats to date. The boys' basketball team won 12 out of 16 games played, taking third place in the league standing and are tied for first place in the current season winning 7 out of 8 games played to date. The boys' baseball team won 7 of its 10 games in league competition to take second place.

Through the generous contributions of money by citizens of the community and through their hearty cooperation in school sponsored activities, the basketball squads have been equipped with attractive and serviceable uniforms and warm-up jackets adding much to the physical and mental comfort of the players.

The Activities' Fund shows a cash balance of \$227.23 to date with no bills outstanding. An itemized account of receipts and expenditures is carefully and consistently kept.

The teachers and pupils continue to work and associate in a happy and congenial atmosphere each holding the other in high regard and mutual respect. The hearty cooperation of all officially connected with the school and the very generous support and tolerant understanding of parents and citizens has been responsible for whatever degree of success the school has enjoyed during the past year. All of which is herein gratefully acknowledged.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster

Vital Statistics

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages, and deaths to the municipal officers for publication in the annual reports," I submit the following Vital Statistics.

I hereby certify that the following return is correct according to the best of my knowledge and belief.
